

Prof. Dr. Ir. Ina Helena Agustina, MT

Faculty of Engineering,
Bandung Islamic University, Jl Tamansari No 1 Bandung 40116
Indonesia.

e-mail : ina.helena@unisba.ac.id

ORCID No 0000-0002-8699-440x

Ina Helena Agustina graduated from the Faculty of Engineering, Bandung Islamic University with a Bachelor's Degree in Planning Engineering. She also holds a Master's degree in Transportation from Bandung Institute of Technology and a Doctorate in Architecture and Planning from Gajah Mada University. Additionally, Ina Helena Agustina has also graduated from the Engineer professional program at Bandung Islamic University. Research focus areas include Islamic spiritual tourism, neurology, and cultural space for the palaces in Cirebon, Indonesia. For thirty years, Ina Helena Agustina has worked as a permanent lecturer at Regional and City Planning Undergraduate and Graduate Program, Faculty of Engineering, Bandung Islamic University. She had been appointed as a professor of regional and city planning by the Indonesian Ministry of Education, Culture, and Technology Research on February 1st, 2023. From 2014 to 2023, the Indonesian Ministry of Education, Culture, and

Technological Research provided her with support for her research. Ina Helena Agustina is an administrator and member of Indonesia's Planning Expert Association.

Her academic excellence is evident through her productive publications in journals and proceedings. A list of the publications are as follows.

- Agustina I.H, Hilwati Hindersah, Ivan Chofyan, Kintan Ayu Sevilla, Chairunisa Matondang (2024) Intangible heritage in Astana Gunungjati Tomb Complex, Cirebon, Region: Jurnal Pembangunan Wilayah dan Perencanaan Partisipatif, ISSN : 2598-019X (Online).
