Dear Nguyen,
Finally, the reviews of your second paper have arrived. Please find attached a composite review of your paper derived from the two reviews. It needs some revisions. Please study the comments of the two reviewers carefully.
Revise and save as 'ISVSej_12.02.06_Nguyen revised' and send me the word copy in 20 days or so.
Please download the guidelines for writing the review of literature from the website and follow it. Please make sure that the file size is below 1MB.
Please confirm that you will revise the paper on time so that a slot can be allocated in the ISVS e-journal Vol. 12.02 to be published in March 2024 or thereabouts.
Please note to check the authors' names and addresses accurately when you revise. Since DOI numbers are assigned now, no changes can be accommodated after the publication of the paper. We have to send the DOI numbers to CrossRef immediately when published and that version gets registered. It cannot be modified afterwards.

Looking forward to hearing from you,

Ranjith
