## **CEPT University, Ahmedabad, India**

ISVS is supported by a number of institutes; through the active participation of the academic members working at these institutes. The first among these is the CEPT University, Ahmedabad, India. It was at CEPT that the first secretariat was established under the guidance of Prof. Pratyush Shanker and Prof. Miki Desai. Secretariat continues to function there with the publication of the ISVS e-journal and the founding of the first ISVS-i: the students' workshop held in 2015.
