Dear Nurulin,

Finally, we have the reviews of your research paper. Please find attached a composite review of your paper derived from the two reviews. It needs major revisions. Please study the comments of the two reviewers carefully.

Revise and save as 'ISVSej\_12.04.10\_Nurulin revised' and send me the word copy in 15 days or so.

Please download the guidelines for writing the review of literature from the website and follow it. Please make sure that the file size is below 1MB when converted to PDF. However, send me only the word file.

Please confirm that you will revise the paper on time so that a slot can be allocated in the ISVS e-journal Vol. 12.04 to be published in July 2025 or thereabouts.

Please note to check the names and addresses of the authors accurately when you revise. Since DOI numbers are assigned now, no changes can be accommodated after the publication of the paper. We have to submit the DOI numbers to Cross-Ref immediately when published and that version gets registered. It cannot be modified afterwards.
